5. To consider Motion and Resolutions of which Council has Notice prior to the Meeting;
6. Any Other Business, with the Leave of the Chair; and
7. Closing of the Meeting.

AGENDA ITEM NUMBER 2: Confirmation of Minutes of the Annual General Meeting held in Arusha on Saturday 13th April, 2018.

Minute No. 2.1: *Tabled* the Minutes of the Annual General Meeting of the Tanganyika Law Society held on the 13th and 14th April, 2018 at the Mt. Meru Hotel in Arusha.

Minute No. 2.2: *Reported that* some names of members who attended the AGM were missing in the minutes.

Min 2.2.1: *Resolved that* members should scrutinize the list of attendants in the minutes and report to the Secretariat, with the proof of attendance, in case their names are missing in the said list.

Min 2.2.2: *Directed that* the Secretariat should incorporate the missing names in the said minutes for record.

Minute No. 2.3: *Noted* numbering mistakes in the minutes such as repetition in Min. 4.2 and Min 3.3.5 to 3.3.7. *Noted* further the formatting error in Min 8.14.4.

Minute No. 2.4: *Noted* spelling error in paragraph 3 of the Min. 5.8.3. That, the word should be Governing instead of Government.

Minute No. 2.5: *Reported that* there were three motions tabled before the AGM and not two motions as indicated in Minute 8.1. Thus, minutes should be correctly captured.

Minute No. 2.6: *Directed that* Corrections should be made in respect of all noted errors in the tabled minutes.

AGENDA ITEM NUMBER 3: Matters Arising from the Minutes of the Annual General Meeting of the Tanganyika Law Society held in Arusha on 13th April 2018.

Minute No. 3.1: *Tabled* the Matters Arising from the Minutes of the Annual General Meeting of the Tanganyika Law Society held on 13th April 2018 in Arusha.

Minute No. 3.2: *Directed* the CEO to highlight issues in the tabled list of matters arising for members' attention.

Min 3.2.1: *Reported that* Bank loan for the Wakili House Project was not secured as per the AGM, 2018 resolution and that a request for 400M was successfully laid to DATF. Repayment will be for a period of 17 months terminating

in December 2019 and at an interest of 10% per annum.

- Min 3.2.2:** *Reported further that* contributions remained unsatisfactory despite several reminders to members to pay for LAAC under the introduced ‘Once to go Campaign.’
- Min 3.2.3:** *Reported that* the Governing Council enacted the Tanganyika Law Society (Elections) Regulations, 2018 to repeal and replace the Tanganyika Law Society (Elections) Regulations, GN 116 of 2018 as directed by the AGM, 2018.
- Min 3.2.4:** *Reported further, on Mwale’s case, that* a team of lawyers from TLS (Mpale Mpoki, Alex Mgongolwa, Godwin Ngwilimi and Jeremiah Mtobesya) joined a team of other lawyers to prosecute an appeal that was filed before the Court of Appeal to challenge the DPP’s decision to enter a number of *nolle prosequis* which was an abuse of court process. That, before the appeal was heard on merit, the same was attacked on a technical ground to the effect that the Notice of Appeal did not conform with the provisions of the Court of Appeal Rules and consequently the appeal was struck out. That currently an application for extension of time at the High Court of Tanzania (Arusha District Registry) has been filed seeking extension of time to file a fresh Notice of Appeal to re-institute a fresh appeal. That, the said application of time is still pending before the High Court at Arusha.
- Min 3.2.5:** *Reported again that* the matter in respect of the progress on investigation of Hon. Tundu Lissu’s assassination attempt was raised during the President’s courtesy visit to the IGP but couldn’t receive satisfactory response on the progress.
- Min 3.2.6:** *Reported that* the Governing Council has appointed a team of advocates who are working on all cases of money laundering against advocates and that the Governing

Council has also appointed a team of experts to develop a CLE module on Money laundering to assist advocates on how to protect themselves, as lawyers and reporting agents, as far as money laundering cases are concerned.

Minute No. 3.3: *Noted and adopted matters arising from the minutes of the Annual General Meeting of the Tanganyika Law Society held on 13th April 2018 in Arusha, as presented by the Chief executive Officer, for discussion.*

Min 3.3.1: *Updated that Mwale's case was called on 13th September, 2018, the accused persons were taken to court for the first time after *nolle prosequi* being entered last year. An objection was raised by defence team but the objection was set aside and that some of the accused persons pleaded guilty which were granted.*

Min 3.3.2: *Inquired the update on other advocates cases such as that of Mr. Emmanuel Massawe and Dr. Tenga.*

Min 3.3.2.1: *Reported on Dr. Tenga's case that judicial review has been filed on 24th September. That, DPP has filed 9 Preliminary Objections and they will all be heard on 24th September, 2018.*

Min 3.3.2.1.1: *Directed Dar es Salaam Chapter Convener, Ms. Angelista Nashon, to ensure that Dar es Salaam members are attending the hearing in numbers to show support to Dr. Tenga.*

Min 3.3.2.2: *Reported on Massawe's case that, the matter is still on committal proceeding, his file keeps on shifting from DPP office to TAKUKURU and back to DPP's office without making any progress. Investigation is still incomplete. That, the effort was made to seek audience with the DPP without success.*

Min 3.3.3: *Proposed, in respect of Council's efforts to meet the DPP and the AG that a committee of senior council should be formed to meet with the DPP to discuss the matter particularly on money laundering and arrests of advocates*

in this respect.

Min 3.3.3.1: *Resolved that* Council should form the Committee of senior advocates to meet the DPP.

Min 3.3.4: *Reported further that* there is information that people who are held in remand prisons are being convinced to plea guilty for a price. Some people consider this act as plea-bargaining out of judicial house. This is not in fact a plea-bargaining but rather an extortion which is unacceptable in the eyes of law and justice.

Min 3.3.4.1: *Resolved that* Society needs to educate advocates and members of the public on the matter of extortion vis-à-vis plea-bargaining so as not to fall into this trap of injustice and agreed that members should not let their voices be silenced on what is going on currently in the Country.

Min 3.3.4.2: *Resolved further that* the judiciary must be informed of the extortion taking place in the name of pre-bargaining.

Min 3.3.4.3: *Resolved again that* Council should do more engagement with the government officials, with emphasis to the Minister of the constitution and legal affairs, AG and DPP, to advocate on issues of arrest of advocates, abuse of power and non-adherence to the rule of law.

Min 3.3.5: *Resolved, with respect to LAAC contributions* for construction, to leave the Council to decide on the best method to collect and sensitize members to contribute for LAAC construction.

AGENDA ITEM NUMBER 4: To receive and consider the Half Annual Progress Reports of the Council of the Tanganyika Law Society for Adoption.

Minute No. 4.1: *Tabled* for adoption the Half Annual Progress Reports of the Council.

7.	Walter W. Ngonyani	4861	12 th July, 2018

Minute No. 4.3: *Highlighted important key issues from the report*, one being legal representation for TLS members once faced with charges and injustices. That, members were encouraged to take legal action towards injustice that they are facing and that the Society will be willing to assist them. However, the Society's leaders cannot force members to pursue their matters if they don't want to do so as they don't have locus to stand for them.

Minute No. 4.4: *Noted further, from the Council report, that*, member' ethical problems have been reduced as compared to the earlier days.

Minute No. 4.5: *Noted presentation, by the CEO, on the need of changing TLS advocacy strategy that will make TLS be proactive instead of being reactive to emerging matters/legal*

issues. That, it was insisted that TLS should focus on using public talks, seminar and training; and courtesy and roundtable discussions as methods of advocacy and do little on press statements and Court presentations/litigation though they are also good methods of advocacy.

Minute No. 4.6: *Adopted* the Half Annual Progress Reports and proceeded to discuss issues in the said report.

Min 4.6.1: *Reported that* TLS Committee has now been given power, in R. 142 of the Professional Etiquette, to not only mediate but also sanction unethical members.

Min 4.6.2: *Reported further that* Ethics Committee will come up with the Regulations/internal procedure on how to work on ethical issues now that the committee has teeth to sanction.

Min 4.6.3: *Advised that* the new proposed advocacy strategy should be adopted for TLS use, so that Secretariat and the Society can start to implement them regardless of who will come in to lead the Society.

Min 4.6.4: *Resolved, on issue of advocacy strategy, that* TLS should intervene from the very beginning of the matter that needs to be addressed so as to avoid frequent use of press statements. That, we shouldn't wait for a crisis to happen so that we issue statements, we should be active all the time.

Min 4.6.5: *Advised that,* as another good method for advocacy, engagement method is good but TLS should know that there is a limit for engagement in case there is no positive result on a particular matter.

AGENDA ITEM NUMBER 5: To Consider Motion and Resolutions of which the Council has Notice prior to the Meeting.

Minute No. 5.1: *Noted that* no motion received by Council prior to the Meeting.

AGENDA ITEM NUMBER 6: Any other Business with Leave of the Chair.

Minute No. 6.1: *Informed that* the DATF is growing. That the Fund's money was banked in three different banks one of the banks was Bank M which is under the supervision of the Bank of Tanzania.

Min 6.1.1: *Informed further that* a loan amounting to 400 million had been granted to facilitate progress of the Wakili House Project through money which was banked at the Bank M. That, TLS is making preparation for a suitable loan repayment scheme.

Min 6.1.2: *Reported further that* there is TZS. 50million which is still deposited at Bank M and the DATF trustees are working out to take the money out of the Bank.

Min 6.1.3: *Informed on* the implications of not filling the Deceased Advocates form no. 1 that once a member dies and no form had earlier been filled, then DATF money cannot be paid until appointment of administrator of the deceased member. Thus, members were insisted to fill the Deceased advocates Form No. 1.

Minute No. 6.2: *Reported* on the progress that had been made to secure a suitable health insurance scheme for members. A tailor made insurance scheme for members is necessary and a call for interest had been made to various health insurance companies.

Min 6.2.1: *Reported further* on the challenges encountered including the limitations to group coverage such as limits on the number of family members. That despite the fact that the premium is considerably high, NHIF appears to be

the most suitable scheme as it extends to parents of the principal member.

Min 6.2.2: *Discussed* a further challenge on the lack of sufficient information on members' data such as the number of family members, age of principal member, any chronic disease suffered, among others. That the new membership forms that were recently issued out to be completed by members attempted to capture the information required but many members have not submitted the completed forms. That the provision of sufficient information to insurance companies will assist to reduce the premium; that we can start with a certain number of members say 1,000 members who will have provided the necessary information as a starting point.

Min 6.2.3: *Resolved that* the Report on members' health insurance be submitted to members in the next AGM.

Minute No. 6.3: *Tabled* the needs of members with disability and *noted with concern* that currently the Society does not fully prioritize the needs of members with disabilities despite the fact that all members pay a standard fee regardless of whether they have special needs or not. That data collection of members with disability must be conducted with immediate effect.

Min 6.3.1: *Resolved* that the Society must be inclusive of all members and that a budget will be allocated to support inclusion of members with disability such as procuring facilities that will cater for the needs of such members, like braille materials, sign language interpreters, among others.

Min 6.3.2: *Resolved further* that this matter must be brought to the attention of the judiciary so as to ensure that the judiciary is part of the move towards ensuring a more inclusive environment for members with special needs.

Minute No. 6.4: *Informed* on the initiative that has been made to establish *Wakili SACCOS*, a corporate institution for lawyers to assist each other. Members encouraged joining the SACCOS.

- Minute No. 6.5:** *Noted* establishment of three chapters namely Shinyanga, Ruvuma and Morogoro.
- Min 6.5.1:** *Resolved that* Council should swear-in the Chapter leaders for Morogoro, Shinyanga and Ruvuma Chapter.
- Minute No. 6.6:** *Invited* Advocate Alute Mughwai to report on the progress of the former TLS President, Mr. Tundu Antipas Lissu who is still undergoing medical treatment in Belgium.
- Min 6.6.1:** *Advocate Alute reported that* Mr. Tundu Lissu's health is progressing well but gradually and is now an outpatient. Further informed that the extent of his physical and emotional trauma was underestimated and therefore the period of recovery has been prolonged. Also reported that as of yet the date of his return is unknown.
- Min 6.6.2:** *Further reported that* the office of Parliament has formally refused to cover the medical costs and subsistence allowance for his hospitalization on the basis that the Hon. Tundu Lissu was airlifted from Dodoma to Nairobi contrary to regulations governing the procedures that would entitle one to receive medical assistance. All attempts to remedy the situation proved futile. That to date the criminal offender has not been identified and no arrests have been made.
- Min 6.6.3:** *Informed that* the family is contemplating on an appropriate cause of action.
- Min 6.6.4:** *Resolved that* the fraternity will continue to offer the family unwavering support.
